2020 Primary Care Roundup - Virtual
August 14-16

Course Description:

The MOMA Primary Care Roundup is designed to present the evaluation and management of a broad range of conditions commonly seen in medical practice. The primary care provider, as well as the specialist, will benefit from the breadth, depth, and practicality of the subjects discussed. This virtual didactic conference will emphasize rural practice, as well as Osteopathic perspectives, including the demonstration of OMT (Osteopathic Manipulative Therapy) techniques.

Accreditation:

The Montana Osteopathic Medical Association is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Montana Osteopathic Medical Association designates this program for a maximum of 23.5 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

This Live activity, MOMA 2020 Primary Care Roundup, with a beginning date of 08/14/2020, has been reviewed and is acceptable for up to 23.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
